

RIFF JTAG Box setup

How to recover RIFF Update Server password

If You, for any reasons, forget Your login/password for RIFF Box update server, You can recover it using "Recover Password" function:

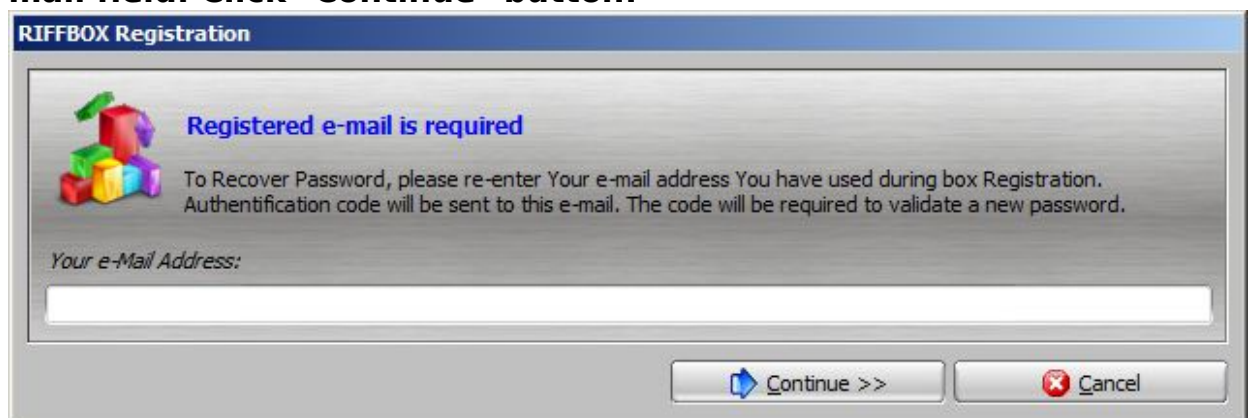

In case that Your e-mail account is lost, You need to request account reset. You can do it on support forum, please read this [forum topic](#) to see how.

- Download latest version of [RIFF JTAG Manager](#),
- Click "Recover Password" button on login dialog form:

The image shows a Windows-style dialog box titled "RIFFBOX Registration". It has a blue header bar. Below the header, there is a green square icon with a white key. To the right of the icon, the text "Authentication is Required" is displayed in blue. Below this, there are two input fields: "User name:" and "Password:". At the bottom of the dialog, there are three buttons: "Recover Password" (with a key icon), "Continue >>" (with a blue arrow icon), and "Cancel" (with a red X icon).

- Your registered e-mail address will be automatically inserted into e-mail field. Click "Continue" button:

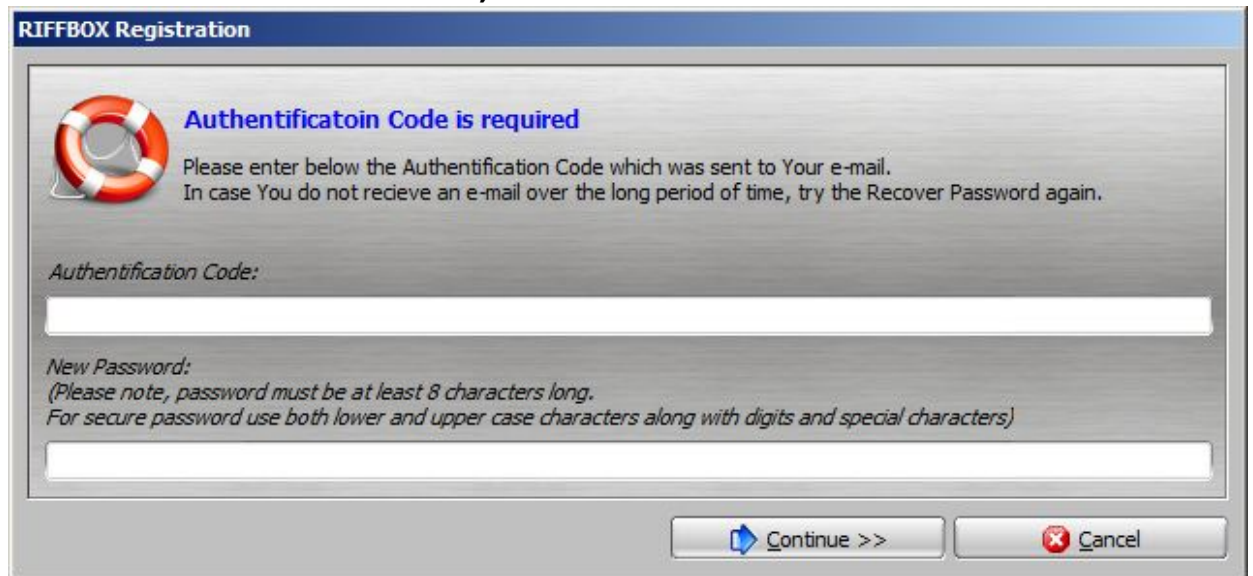

The image shows a Windows-style dialog box titled "RIFFBOX Registration". It has a blue header bar. Below the header, there is a colorful 3D block icon. To the right of the icon, the text "Registered e-mail is required" is displayed in blue. Below this, there is a paragraph of text: "To Recover Password, please re-enter Your e-mail address You have used during box Registration. Authentication code will be sent to this e-mail. The code will be required to validate a new password." Below the text, there is an input field labeled "Your e-Mail Address:". At the bottom of the dialog, there are two buttons: "Continue >>" (with a blue arrow icon) and "Cancel" (with a red X icon).

- If e-mail address matches the one You used during registration, server will respond with confirmation and "Authentication Code" request form.
This code is sent to Your e-mail, and You should check Your Inbox for new mail. **Note that, some e-mail providers can place this e-mail into spam/junk mail folder !**
"Hi **yourusername**. Authorization Code for JTAG Manager: **FE3FC2CBD0ABE510**
Enter the code into "Authentication Code" field, and new password

RIFF JTAG Box setup

into "New Password" field, then click "Continue".

RIFFBOX Registration
